

COVID-19: RELATIVE IMPACT & CONCERNS

(RESPONSES FROM 25 – 31 MAY)

Island Global Research is regularly running surveys to track the impact of COVID-19 on islanders in Jersey, Guernsey and Isle of Man.

In the w/c 25 May, we asked who has been more affected by COVID-19 and what issues are currently a concern for their island.

Taking all the potential effects into account (health, economic and social), who do you think COVID-19 will have a more negative impact on, or will the impact be the same on both groups?

JERSEY

GUERNSEY

ISLE OF MAN

In your opinion, which of these issues are a concern for your island?

Of these, which are you most concerned about at this time? The top five for each island were:

Rank	JERSEY	GUERNSEY	ISLE OF MAN
1.	COVID-19 (43%)	COVID-19 (33%)	COVID-19 (38%)
2.	The economy (15%)	The economy (26%)	The economy (21%)
3.	Poverty & inequality (11%)	Air and sea links (11%)	Health & social care (13%)
